Cheval

RIVERSIDE

A SANCTUARY OF QUIET CONFIDENCE

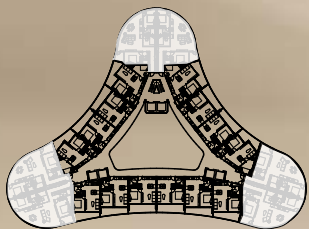

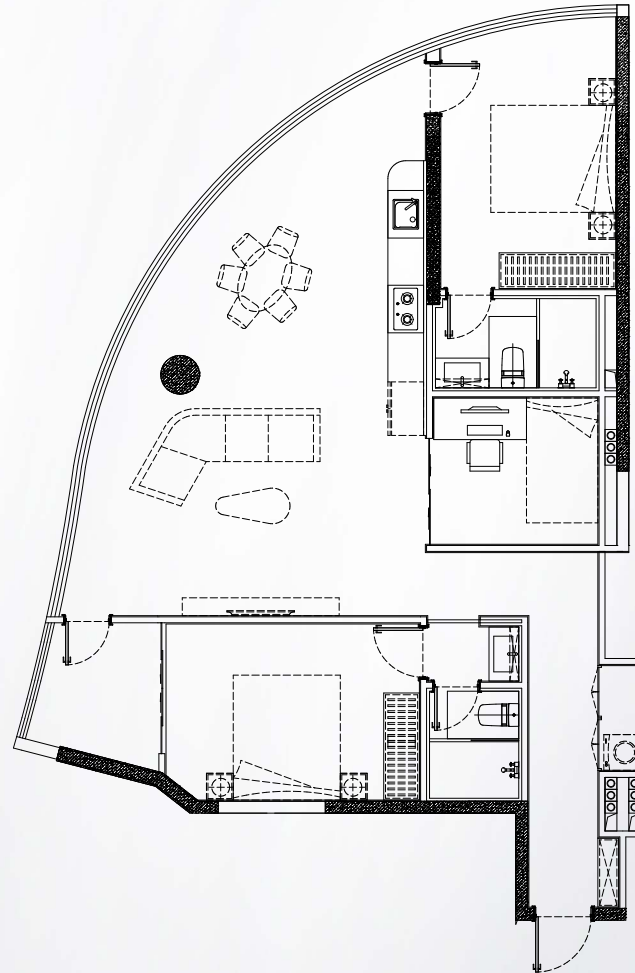

Cheval Riverside is a showcase of refined architecture, balanced, confident, and quietly commanding. Conceived by an award-winning design team, it rises in one of Nairobi's most established neighborhoods, where the comfort of familiarity meets seamless access to the city's most sought-after destinations. Every element is crafted with purpose, from its enduring materials to its future-ready design, creating a residence that transcends luxury to become a sound, lasting investment in architectural and lifestyle excellence.

- Platinum Residences: One and two-bedroom units featuring floor-to-ceiling windows and integrated private study suites.
- Triple-Level Rooftop Oasis: Includes an infinity pool, wellness center with yoga decks, and a signature restaurant/lounge.
- Smart Infrastructure: Future-ready smart home systems, high-speed intelligent elevators, and 24/7 security.
- Uninterrupted Utilities: Full redundant power and water systems.
